BRITISH DANCE MOVEMENT PSYCHOTHERAPIST IN TRAINING (PROFESSOR S. KOCH, HEIDELBERG) SEEKS SHADOW/PLACEMENT AUGUST-OCTOBER 2019

Olivia would be most grateful to hear from any DMP/RDMP in a multi-disciplinary institution willing to permit observational/participatory placement, between August–October 2019 (up to 310 hours). Thank you in advance.

For the new English-speaking MA run by Professor Sabine Koch in Germany, international students return home for placement/practice in between first/second years. Consequently clinical placement time is shorter than usual. Olivia will seek and pay for supervision and insurance and is currently a trainee member of ADMP-UK and the German and Swiss equivalents. Olivia has a PG Dip DMT from UAB, Barcelona (equivalent of distinction) and is a qualified solicitor of England and Wales still on the practicing role. Previous career/experience in human rights, with special focus on criminal justice, refugees & immigration, sexual & gender-based violence. Currently, a contemporary freelance dancer in Basel, Switzerland and a parent. Open to all possibilities and interests including: attachment injury repair work, parent/child; children especially ADHD, COAs, trans/gender non-conforming; trauma recovery; addiction/dual diagnosis; PDs, EDs.

Please contact Olivia E: olivianermin@gmail.com

HEIDELBERG STUDENT IN TRAINING (PROFESSOR S. KOCH, HEIDELBERG) SEEKS SHADOW/PLACEMENT AUGUST-OCTOBER 2019

Harald would be grateful to hear from any RDMP with the capacity to provide an observational/participatory internship within a multi-disciplinary team inside an institution, preferably working with a population of burn-out/stress afflicted clients, highly-sensitive people or in personal development.

Harald is looking for a placement of 210 hours (preferably more) from August to the beginning of October.

Currently, Harald is a yoga teacher, massage therapist and originally he studied computer sciences. Additionally, he undertook research in human motion analysis for one year because of his interest in movement therapy. After which he began his current masters in DMT at the SRH Hochschule Heidelberg with Sabine Koch.

Please contact Harald E: haralddebondt@gmail.com

CALL-OUT TO DMP'S IN THE GREATER MANCHESTER AREA IN PRIVATE PRACTICE FOR INDIVIDUAL SESSIONS OR RUNNING GROUPS?

A treatment and recovery centre in Manchester closed unexpectedly with an individual who benefited from movement therapy now having no access to DMP/art psychotherapy is seeking to find one-to-one or group sessions to continue treatment. She is currently being held on an acute ward under section until the unit can discharge her, potentially to a supported living environment.

If anyone can facilitate these sessions with her on a regular basis, then please get in touch with me in the first instance. I have managed to have three visits with her and our final meeting is next week, which has allowed us some time to process the closure/ending of our therapeutic relationship. She truly is an inspirational woman to work with.

Please contact ASAP Lauren Smalley E: Lkpicering@gmail.com | T: 07903 284348
